

Family Review Book

Young Persons name.....

This book has been designed to help you think about what you would like to discuss at your child's annual review.

This is the meeting when your child's statement of special educational needs is reviewed, if you feel that any aspect of the statement needs amending this is your opportunity to discuss this.

You can record the information about your child in whatever way you want.

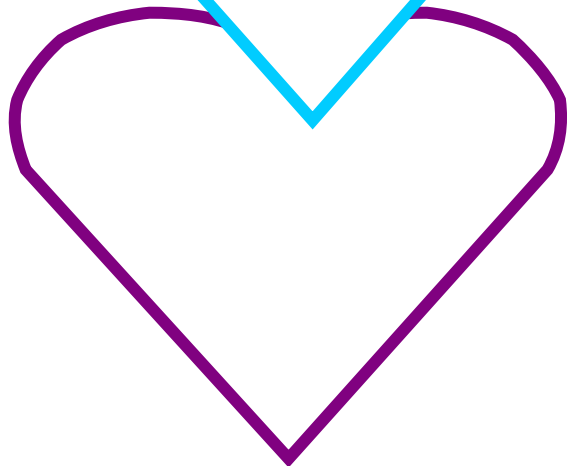

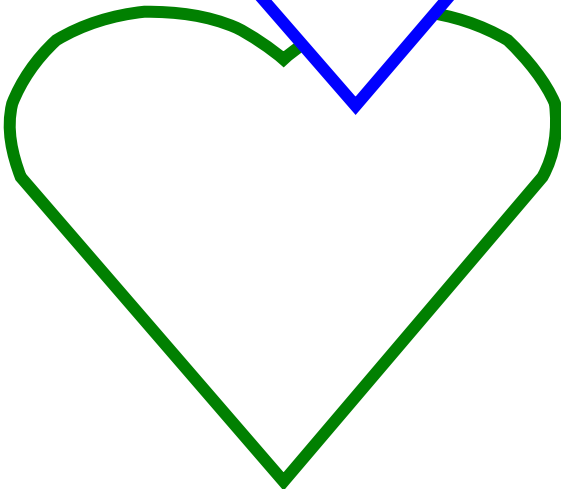

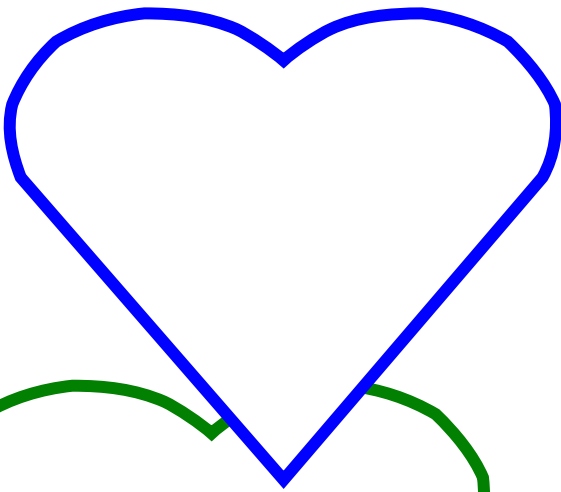

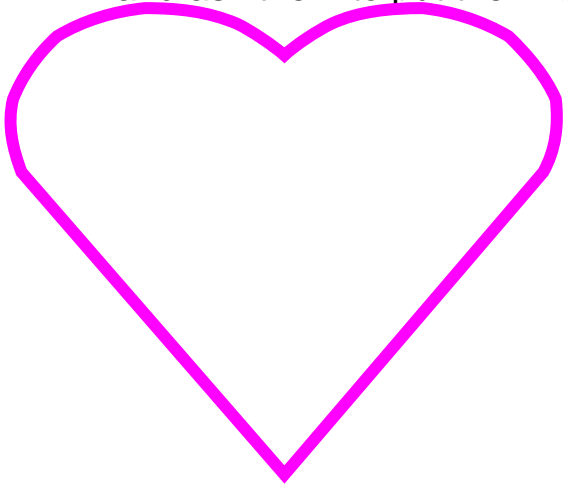

You may use as much or as little of this book as you wish.

You may use this book as a memory aid to help you fill in the flip charts at your child's review.

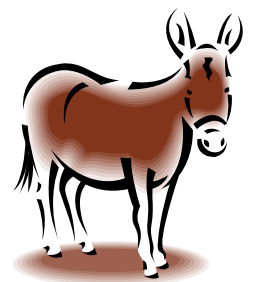

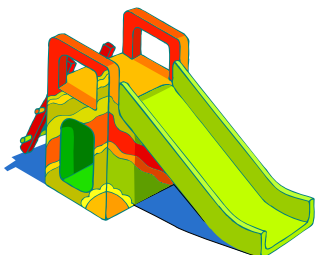

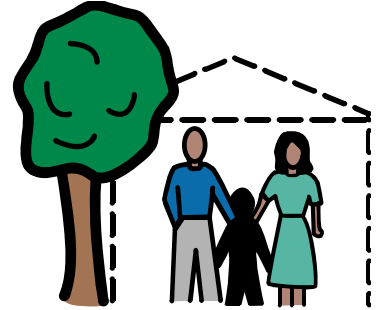

Each page will correspond to the flip charts that we will write on at the review.

What we like and admire about.....

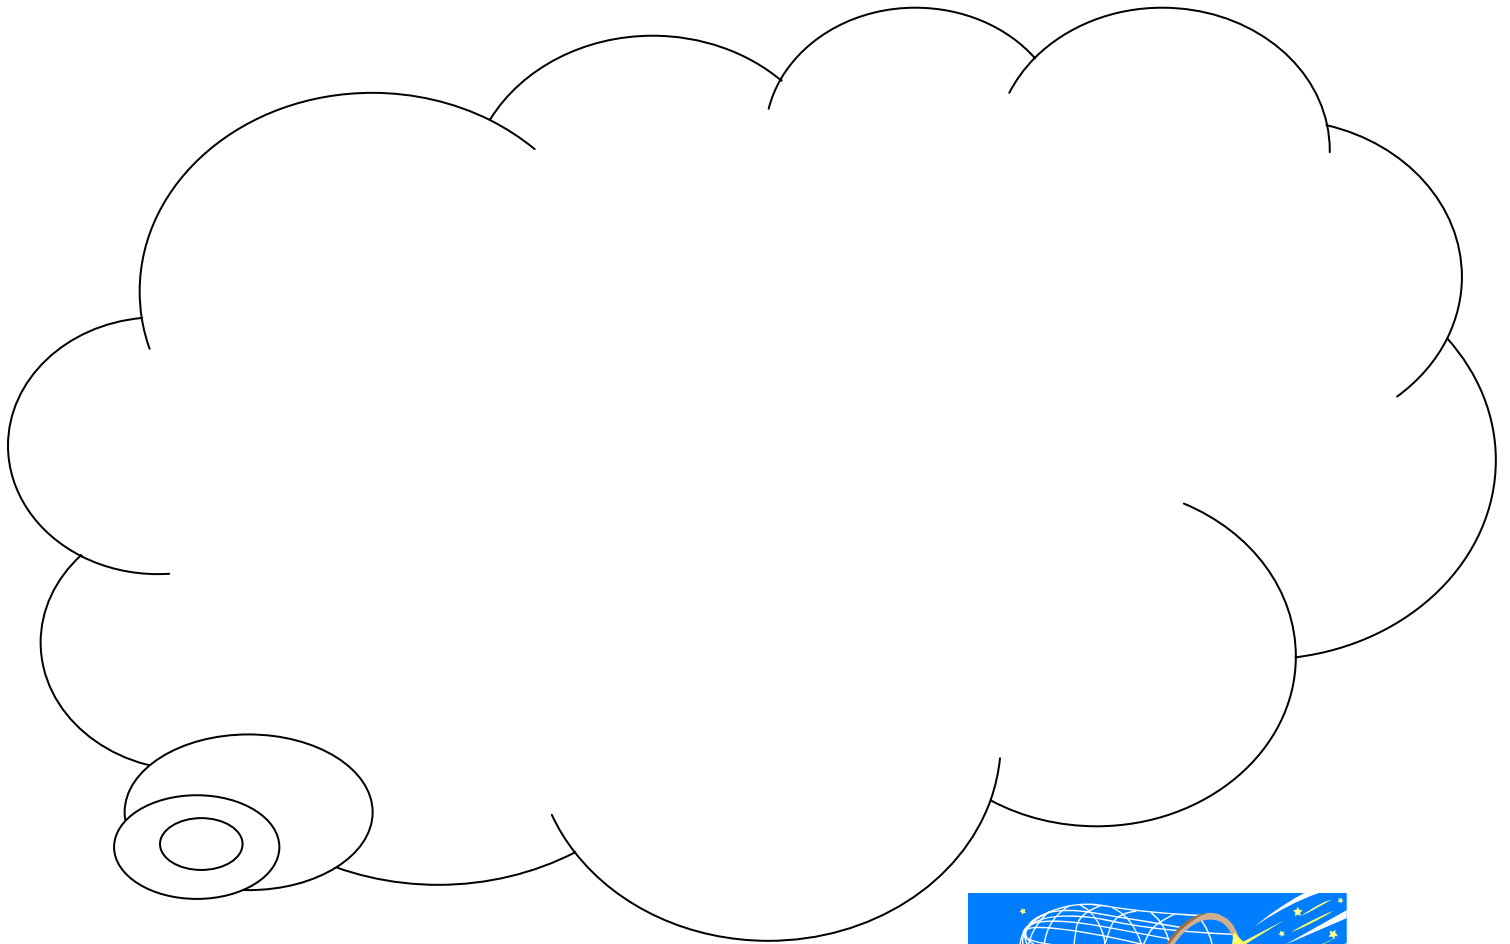

If you like you could ask family and friends to contribute to this page
and ask them to put their names next to the comment.

What is important
