

## Devon Childrens Trust Information Sharing Code of Practice (CoP)

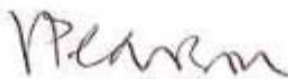

The Information Sharing protocol and the Information Sharing Practitioners Guide have been amalgamated into one document now called the 'Code of Practice for sharing children and young people's information' (CoP).

Version 1 (July 2010) of the CoP has now been signed off by all the Childrens' Trust Duty to Cooperate Partners.

Evidence of this can be seen in the Signature List below:
